UPLIFTING STUDENTS · BUILDING CHARACTER · DEFINING LEADERSHIP

## WELCOME

Thank you for viewing the following sampling of Learning for Life online lesson plans.

Learning for Life is a character education program affiliated with Boy Scouts of America, serving Pre-K through 12th grade students. Three Harbors Council currently serves thousands of youth in the Greater Milwaukee area through public, private and charter schools.

Our mission is to develop and deliver engaging, research-based academic, character, leadership and career-focused programs aligned to state and national standards that guide and enable all students to achieve their full potential.

Our curriculum is comprised of various focus areas, such as practical life skills, self-discipline and responsibility. Our curriculum is typically implemented through lesson plans, activities and workshops for our students.

During these trying times, we hope our materials will supplement students' at-home educational experience through well-rounded, engaging content and activities.

Sincerely,

India McMiller
