

Family Friends of Scouting Talking Points

Presenter: Thank the person who introduced you and the unit for having you!

- You are a volunteer just like they are!
- Volunteers make positive impacts every day.
- Donating to Friends of Scouting is one of those positive impacts!

Please take a moment to watch this year's Friends of Scouting Video.

(If unable to show the video, refer to the **word wall** you can pass out.)

“As you can see, funds from the Friends of Scouting Campaign are used for things you may not see every including”:

- accident and liability insurance
- maintaining camp and support our Ranger.
- provide tangible resources – recruitment materials, blue and gold placemats, flyers, web site maintenance, event sign ups, Eagle Scout book reviews, recharter help.
- support the full-time staff at Scout Service Centers
 - people who are trained, dedicated individuals whom you can contact to seek advice, learn about Scouting resources, and discuss sensitive situations if they arise.
- Literally keep our lights on!

Share your personal story! 😊

“Tonight, we invite you to help keep Scouting thriving in our Council.”

- For \$200 you can support one Scout for an entire year. That's \$16 a month or less than \$4 a week.
- If you can, consider two Scouts at \$400.
- We also know that not every family can make a gift at these levels. A gift of ANY AMOUNT is welcome.
- **Every contribution stays to support local day-to-day Scouting operations in Kenosha, Milwaukee, and Racine counties.**

“You also do NOT have to pay for your gift tonight.”

Bill once, two times a year, or quarterly

“Please take a moment to fill out your pledge card.”

- Choose one of the options listed.
- Use the QR code and indicate that you gave online.
- If you cannot give at one of the levels listed, please choose 'other'.
- If you are unable to give at this time, please put \$0 so we do not include you in follow ups.
