The Kanwa tho Lodge patch set design for the 2015 National Order of the Arrow Conference incorporates the following elements.

- The lodge name Kanwa tho and panther totem are in honor of one of the divisions of the Prairie Potawatomi, who were based around the Menomonee and Milwaukee Rivers in Milwaukee. Kanwa tho translates into "Panther Band."
- The lighthouse is the Wind Point Lighthouse found just north of Racine. It is one of the three lighthouses within the Three Harbors Council that sit on the shores of Lake Michigan (the other two are the North Point Lighthouse in Milwaukee and the Southport Lighthouse in Kenosha).
- The beach and reeds reflect the fact that the council territory lies along Lake Michigan and some of the nicest fresh water beaches in the country.
- The evening stars on the flap form an arrowhead and shaft, and point in the same direction as an OA sash.
- The circular totem is the official Order of the Arrow Centennial totem for the 2015 Centennial celebration.
- "100 Years of the Order of the Arrow" and "Centuries of Service" continue the Centennial celebration, with the latter being the official theme for the anniversary celebration.
