

Who can attend:

- Wood Badge is designed to benefit ALL leaders (Volunteer and Professional) in ANY BSA program.
- Each participant must be a registered member of the BSA, and have completed the basic training courses for their Scouting position.

What can I expect?

Wood Badge is the BSA's premier training course. It's held over two weekends & divided into two parts, **PRACTICAL & APPLICATION.**

PRACTICAL: The two weekends - you learn & practice a combination of strategies to help you become a better leader within your units.

APPLICATION: The 18 month period following the Course during which time you further practice and demonstrate the leadership principles presented during the Course.

Demonstration is done through the completion of a "ticket" which is a set of goals revolving around a personal mission statement. Completing these goals shows your understanding of the concepts & provides a significant contribution to your unit.

Background

Wood Badge training was begun by Lord Baden Powell in 1919 as a way to ensure that adult leaders were properly trained. Since then, Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

Wood Badge reflects over a century of the Scouting programs and builds upon the best traditions and experiences of the Boy Scouts of America. It further draws from a wide range of programs beyond the bounds of Scouting to present the latest in leadership theory and team development.

Learning Objectives:

- To recognize the most impactful leadership concepts and how they can be applied to the Scouting program.
- To apply the skills you learn through being a member of a team.
- To revitalize your commitment to Scouting
- To view Scouting as a global family of interrelated, value-based programs that provide age-appropriate activities for youth

Course Themes:

- Living the Values
- Growing
- Connecting
- Guiding
- Empowering
